ELEVATOR PITCH

Why Surrender All?

"Why do Christians give so much? We love because God first loved us, and so we also give – because God has given so much to us. The Bible says, "For God so loved the world that He gave His one and only Son, that whoever believes in Him will have eternal life."

We give out of thankfulness for everything we have received from God, not out of guilt or obligation or out of the misguided hope that it will make us richer.

We give in order to help others, making the church the largest charitable entity in the world!

Let me flip it back to you: do you give to anything? This was a good chat - let's definitely continue it soon, ok?"

Stepping out of the elevator and into life:

Live your life as _____.

Steer towards _____.

Switch from defence to _____.

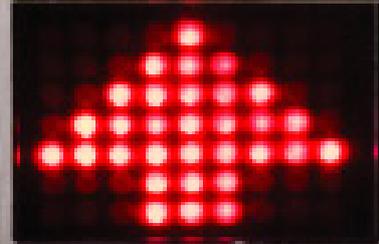

The best witness is _____.

Listen for the question beneath _____.

We love because God first loved us (1 John 4:19), and so we also give, because God has given so much to us.

For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.

John 3:16
