

# Seek First: Jesus - The Still Point of the Turning World

By Kwen Ip, October 02, 2022

Sometimes you feel like you know a lot about God already UNTIL YOU ARE TESTED BEYOND YOUR LIMITS.

Like the psalmist in Psalm 42, I wrestled within my soul: "O soul why are you downcast within me? Why so disturbed within me?" I say to God, "Why have you forgotten me? Why must I go on mourning and oppressed...?"

T.S. Eliot says this: Christ's presence in the present moment (is) 'the still point of the turning world'. Jesus rests in the eye of the storm. - Pete Greig, "24-7 Prayer"

Shalom = A peace that comes from an inner knowing of **God's unchallenged and uncompromised mastery** at work around us all the time.

You don't realise Jesus is all you need until Jesus is all you have. - Tim Keller

**Each morning in prayer, reinstate Jesus as the One whose loving actuality defines reality** - not your hormones, not your bank balance, not your problems and pains. Only his presence. - Pete Greig, "24-7 Prayer"
