WORSHIP

Every Sunday, our church gathers across 10 different service times to worship God through music, teaching, prayer and beyond. This past year, we also experienced the joy of venturing into much larger spaces to host two very special gatherings. We held two Christmas Eve Services at Queen Elizabeth Stadium, with approximately 4000 in attendance. And, we expanded our typical Renew Worship Nights (which hold approximately 400 on the 1/F) to our second Renew Conference with special guest Francis Chan at the Sunbeam Theatre with 850 in attendance.

Kids Club FX is a quarterly family event that consists of live worship, skits, games and Bible stories. It allows parents and children to create a shared faith experience. Parents have the opportunity to familiarize themselves with what their children are learning each Sunday and reinforce these truths at home during the week.

ALL STARS CELEBRATION

Across all of our services and programmes on Sundays, volunteers provide the integral and valuable support our church needs. From our 82 worship team volunteer musicians, to our production, youth and children's ministry volunteers, to our largest grouping of volunteers in guest services, church simply could not happen without this support. To celebrate our volunteers, an *All Stars Celebration* was held in August, as well as team and leader lunch gatherings.
