

INSPIRED

THE EXHIBIT

INSPIRED Exhibit is coming to Hong Kong March 23 – April 11, 2017

The INSPIRED Exhibit celebrates the most banned and beloved book of all time – the Bible. Over 75 items, including exquisite ancient scrolls, medieval manuscripts and rare printed books, tell the story of how the Bible was written and preserved. The exhibit includes distinctive Jewish scrolls from along the Silk Road, culminating with a magnificent Esther scroll from China.
