

PRAYERS IN
April 2019

One hand full of rest is better than two fists full of labour and striving after wind.

Ecclesiastes 4:6

We Praise YOU

We praise You O God for You are our loving Creator who never gets tired of interacting with us. You have allowed the plans of the heart to belong to man but the answer of the tongue is from You. That though all the ways of a man are clean in his own sight, You weigh the motives. You alone establish our plans. You have made everything for its own purpose, even the wicked for the day of evil. You make even man's enemies to be at peace with him when he pleases You. You are so interested in man that You direct his steps even though he can plan his way. You are gracious, merciful and powerful! (Proverbs 16:1-9)

We Thank YOU
